Inderst inde 2
Pixar Animation Studios

Hovedpersonen Riley - som mange elever kender fra Inderst Inde 1 - er kommet i puberteten. Pubertetsfølelserne Angst, Flove, Kedsomhed og Misundelse sætter sig nu ved kontrolpulten i Rileys indre, og det giver store udfordringer, både i forhold til gamle og nye relationer. Og ikke mindst i forhold til Riley selv. Det viser sig tydeligt, da hun skal på ishockeylejr, og der pludselig viser sig en mulighed for at blive en del af holdet med de store piger fra High School. Hvor langt er Riley villig til at gå for at blive en del af den populære gruppe, og mister hun sig selv undervejs? Animationsfilm for børn fra ca. 11 år, teenagere og deres forældre.
